# January News from Kids Kount

## Join the Army

George Washington, while commander of the army during the Revolutionary War, was approached by a young man. "General Washington, I believe in you and your cause. I fully support you." The general thanked him for his support and asked him, "Under which officer do you serve?" "Oh," said the young man, "I'm not in the army. I'm a civilian." The general replied, "If you believe in me ...if you believe in this cause, and if you support me—then join the army. Put on a uniform and get into the fight."

It's true that children's ministry is challenging, but it's even more than that. It is spiritual warfare. The stakes are high: the discipleship of children. Satan himself will do all he can to thwart this cause. Be encouraged that you are not a civilian. You're in the fight. So put on the full armor of God so that you can take your stand against the devil's schemes. (Eph. 6:11) You will be equipped with all you need to do, all that God has called you to do.

**Here's what some of our friends are saying about Kingdom Quest:** *The Ministry partners love the program it's easy to use. Everything they need to be a shepherd is right there, even people who did not think they could "teach" are very willing to be shepherds. It is especially wonderful that they do not have to gather supplies on Sunday morning that is already done for them by the supply coordinators. The ministry partners have also expressed to me that they enjoy watching the children learn to pray and learn to be servants. Now that we have done this program for over 4+ years it is fun to watch the 5th and 6th graders live out their faith and what they learned.*

ministry leadership  
“summit” experience, is just around the corner! What’s different about a summit? Well, a summit is a place for dedicated people; a place that can be both challenging and awesome. We are intentionally inviting children’s ministry leaders to be part of a personal, smaller-styled event that will be focused on equal parts fun and deep ministry development. Discover more about this event through this fun [video clip](#)!

The program will take place March 16-18 at King of Kings Church in Omaha, NE. Head to the [reFUEL website](#) and our [Facebook page](#) for important updates. We've got a fantastic rate arranged with a local hotel (that includes shuttling to and from the airport AND free breakfast). The deadline for registration is March 1.
