

God Talk At Home

This Week's Kingdom Quest Lesson:

Welcoming the King

Take Home Point:

We will welcome the King with
our praise.

Drive Time Home

Tickler Question: What good thing happened to the shepherds in today's Bible event? *(They were chosen by God to first hear about his Son's birth and see Jesus. The angels from heaven came and told them in a glorious vision.)*

God Time at Home

Select questions and adapt for your family.

FOR STARTERS: Go around the family circle trying to guess each person's favorite Christmas song or hymn. Then see how much of the favorite song they can recite. Or be really brave—sing the songs!

READ THE BIBLE: Luke 2:8-20

KEY VERSE: Luke 2:20: *"As the shepherds returned to their flock, they glorified and praised God for everything they had seen and heard."*

TALK ABOUT IT: How do you think the shepherds felt to have been picked to be the first ones told of the Savior's birth? Do you think they kept the news to themselves? What were the angels doing when they came to the shepherds? What did they say? How did the shepherds respond to this news? What did they do when they returned home?

The shepherds glorified and praised God for his blessing. How then should we respond when we see God's rich blessings in our lives?

PRAYER POWER: Thank God for sending his Son Jesus into the world for us. Ask God to give eyes to see all the blessings he gives and how he comes to us every day.

Family Time Option

One day this week, try...

Join together with another family or two and sing Christmas carols at the front doors of your neighbors' houses. This would also be a great time to leave a Christmas card inviting them to your church's Christmas worship services.
