## God Talk At Home

**This Week's Kingdom Quest Lesson:**

Moses and the Burning Bush

**Take Home Point:**

God calls us to help with the rescue.

### Drive Time Home

Tickler Question: Why did Gordy squirt the presenter? (*He was putting out the fire in the burning bush.*) What did the burning bush represent to Moses? (*A calling by God to help rescue.*)

### God Time at Home

*Select questions and adapt for your family.*

**FOR STARTERS:** Light candles and darken the room. Place all the candles on a central table. As you think about how God spoke to Moses in a burning bush, have everyone share one time that they felt especially close to God. Did they feel God was saying something personal to them? How does God talk to us when he wants to tell us something specific?

**READ THE BIBLE:** From a story Bible, cover the events of Moses in Exodus 2:11-4:17. Especially emphasize how God talked to Moses in a burning bush and how he called Moses to be part of his plan.

**KEY VERSE:** John 20:21: *"Jesus said to them again, 'Peace be with you! As the Father has sent me, so I am sending you.'"*

**TALK ABOUT IT:** Why did Moses leave Egypt and go into the desert? (*Exodus 2:11-15. Moses killed an Egyptian who was beating a Hebrew slave. When Pharaoh heard about this, he tried to have Moses killed.*) What was Moses' job when he was in his new land? (*Exodus 3:1. Moses was a shepherd.*) What strange thing did Moses see on the mountain that made him want to get closer to look? (*Exodus 3:2-3. He saw a bush on fire but the bush did not burn up.*) Why did God ask Moses to take his shoes off when he was talking to God? (*He was standing on Holy Ground.*) What did God tell Moses from the bush? (*Exodus 3:5-22. He wanted Moses to go back to Egypt to rescue God's people.*) Why do you think God showed his power by doing something to Moses' staff and to his hand?

How does God talk to us today? (*His word, the Bible; other Christians; etc.*) Think of someone in your neighborhood that doesn't know Jesus. What kind of power will God give you to be a part of his rescue mission? What is one thing you could do to help with God's rescue plan?

**PRAYER POWER:** Thank Jesus for rescuing us from sin and death. Ask him to give you power to be a part of his rescue plan.

### Family Time Option

*One day this week, try...*

Play a family game of flashlight tag. Better yet, invite some neighbors to join you. Play outside at night. One person has a flashlight and is "it." "It" tries to shine the flashlight on the others and correctly identify their names before they can get to the home base.
