God Talk At Home

This Week's Kingdom Quest Lesson:

Remembering to Be Thankful

Take Home Point:

A thankful heart is a happy heart.

Drive Time Home

Tickler Question: Today we talked about being thankful. Ask your child what being thankful means and what he/she is thankful for.

God Time at Home

Select questions and adapt for your family.

FOR STARTERS: Ask: "Let's imagine our family had millions of dollars. What are some of the things we would buy?" Discuss. Then point out: "Did you notice that when we start thinking mostly about the things we don't have, it is easy to be ungrateful for what we do have? Do we ever complain or become unthankful? What happens when we instead count our blessings?"

READ THE BIBLE: Psalm 103:2-5; Philippians 4:4

KEY VERSE: Psalm 103:2, *"Praise the LORD, my soul, and never forget all the good he has done."*

TALK ABOUT IT: According to the Psalm 103 passage, what all has God done for us? (*He forgives all our sins, heals our diseases, rescues our life from the pit, crowns us with mercy and compassion, and fills our life with blessings.*) What is the ultimate sacrifice God gave to crown us with mercy and compassion? (*He sent Jesus to die on our behalf.*)

According to Philippians 4:4, how should we always be? (*Joyful in the Lord.*) How can we be joyful in hard times or difficult situations? (*Trust in God to meet our needs.*)

PRAYER POWER: Mention as many thanksgivings as possible during this prayer time.

Family Time Option

One day this week, try...

Make a list of blessings and post it on the refrigerator. Invite family members to write one thing on the list every time they open the refrigerator.

Memorial Day---Holiday Series, Lesson 1
