God Talk At Home

This Week's Kingdom Quest Lesson:

Passover Meal and Passover Event

Take Home Point:

Never forget. Can't you see?

Always remember. God rescues me.

Drive Time Home

Tickler Question: By what method did God rescue the Jewish people when they were in Egypt? Hint: It has to do with the 10th plague (*He had them sacrifice a lamb and put the blood around the door opening as a sign to the angel of death.*)

God Time at Home

Select questions and adapt for your family.

FOR STARTERS: Prepare three plastic bags with food items (or liquid flavor) that family members will smell with their eyes closed. They will tell what food that smell reminds them of. What special meals does your family prepare that reminds you of a certain season, custom, or special event? Family members might also share what their favorite meals are!

READ THE BIBLE: Read about the Passover as found in Exodus 12:1-32.

KEY VERSE: Exodus 12:23b: "...and he(God) will not let the destroyer come into your home to kill you."

TALK ABOUT IT: What final plague did God send to Egypt? (*Exodus 12:12. God would send the angel of death to kill the firstborn male, both human and animal.*) What did God command the Israelites to do so the angel of death would pass over their homes? (*Exodus 12:1-11. They were to take a lamb that had no defects and use its blood to mark the top and sides of their doorframes. They were to roast and eat the lamb while being fully dressed so they would be ready to leave quickly.*) Why did God ask the Israelites to celebrate the Passover every year? (*Exodus 12:24-27. To remember when the Lord passed over the houses of the Israelites in Egypt and spared their homes when he killed the Egyptians.*)

How is Jesus our Passover Lamb? How is the Passover like the Lord's Supper? (*They are both celebrations of a special way God rescued his people from death. God commanded his people to celebrate both. In both, God used the blood of the lamb: in the Old Testament, the sacrificial animal and in the New Testament, the blood of the Lamb of God, Jesus. In Exodus, God saved his people from the angel of death. The Lord's Supper celebrates the death of Jesus who saves us from eternal death.*) Have you accepted Jesus as your Passover Lamb so God's punishment of sin has passed over you?

PRAYER POWER: Thank God for times that he has rescued you and also for something special that God has done for you this last week. Rejoice that you are protected from the destroyer.

Family Time Option

One day this week, try...

Colors can remind us of how God rescues us. Use available food coloring to color water placed in ice cube trays or other molds used for ice. When you use the colored ice, think about what the colors can represent: Red—the blood of Jesus; Blue—our true-blue faith and hope; Yellow—heaven and the streets of gold; Purple—King's color; Green—growing in Christ.
