

# Passport Memory Verse Program

## Putting God's Word in our Hearts

### PASSPORT BOOKS

The Passport book will contain a page for every memory verse. These books are to be kept and used by the students.

Each week the boxes are marked for points if the student has completed the task. The students will get their books stamped at the Passport Station.

### PASSPORT BOOKS - KEEPING TRACK OF POINTS

**"I have God's Word in my Heart."** – Mark the box next to this phrase if the student has memorized the verse.

**"I know where to find God's Word."** – Mark the box next to this phrase if the student has looked up the verse in the Bible. (This may seem trivial but it is an amazing step to getting the kids to open their Bibles and to learn the different books of the Bible. Don't underestimate this step!)

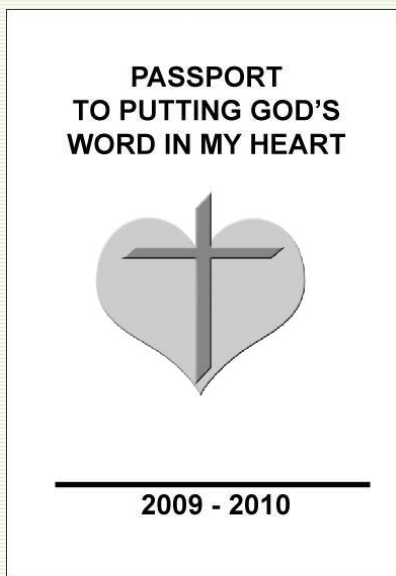

**"I have shared God's Word."** – Mark one box next to the phrase for each person the student has shared the memory verse. This person must be able to say the verse too. Each week it is exciting to see who the student is encouraging to come and say the verse with them. Typically it is Mom or Dad. It is interesting to see how the roles are reversed and the student is now encouraging Mom and Dad to learn the verse too! If more than (4) people know the verse add more marks.

**"I have talked about God's Word:"** – Mark this box if the student has completed the God Talk Take Home sheet from the Kingdom Quest children's curriculum

([www.kidskountpublishing.com](http://www.kidskountpublishing.com)). This sheet can be signed by a parent or the parent can verify the student's completion.

### POINTS

A marked box equals one point. Prior to an award ceremony all points will be tallied to determine which lapel pins have been earned.
