

# THE PRINCE OF PEACE

You will need 10 cards. Eight cards with a regular card back with the Peace Sign on the front. One card with a regular card back with the picture of Christ – The Prince of Peace on the front. One card with the picture of Christ – The Prince of Peace on the front and the Peace Sign on the back.

Use the attached card templates create your own “Prince of Peace” cards.

- Adjust templates to the size you would like to create.
- Print **9** card backs
- Using **8** of the “card backs” you just printed, Print on the reverse side the **“Peace sign”**.
- Using the remaining card back, Print **“Christ – The Prince of Peace”** on the reverse side.
- Now print one card with the **“Peace sign”** on one side and **“Christ – The Prince of Peace”** on the reverse side.
- Cut out the cards and laminate for durability

**EFFECT:** Magi-Minister places ten cards upon the table. Every other card is face up showing a picture of the “Peace sign” of the younger generation. The alternating cards are face down. He now writes out a prediction which is handed to the spectator to hold but not to look at. A number between one and ten is called out and the selected card and the selected card is pushed forward. All other cards on the table are now turned over so that they face the same way. They are noted to be all the same in design. Now have the spectator read the prediction aloud. After reading have him turn over the selected card and there is a picture of CHRIST - THE PRINCE OF PEACE.

**HOW?** You have need ten cards. There are eight cards with regular backs and “peace sign” fronts. One regular back with picture of Christ on front, and one with “peace sign” on one side and picture of Christ on the reverse side. When setting up the cards from top to bottom follow this order: regular back-peace front face down, same face up, regular back-Christ picture, face down, peace sign-Christ picture-peace sign up, now finish out packet alternating the peace sign cards face up, face down your bottom card has peace sign facing up. You now FORCE THE CHOICE of either the third or fourth card from the left which are your two gimmicked cards. If the number selected is 1 – 2 – 4 – 6 – 9 or 10 SPELL OUT number from left to right. If 3 or 4 is selected have them COUNT OUT THE NUMBER from left to right. If the number 7 or 8 are called for COUNT OUT the number going right to left. So you see, the selected card MUST be either the 3rd or 4th card! After card is selected and count is made have spectator read prediction. “YOU WILL SELECT THE ONLY TRUE WAY TO PEACE – THE PRINCE OF PEACE”.

**PATTER:** I have here a packet of cards which I am going to deal out on the table. As you can see five are facing you and five are face down. The sign you see is the “Peace sign” of the new generation. This has come to be the symbol of peace throughout the world. Now, before I do anything else, I shall write down a prediction. (DO SO). I would like you to hold this until I am ready to use it. (Hand to spectator) Please do not look at it. Now will you please give me a number between one and ten? Seven? Thank you. Will you please starting from the end of the row (POINT TO RIGHT END OF PACKET) count off seven cards? Thank you. Push that card forward a little. Thank you. Now I shall turn over all the remaining cards that are face up and you can see that they are all the same on the back. Before we go any further will you please open that prediction I handed you earlier and read it aloud? He reads: “You will select the only true way to peace – The Prince of Peace”. Now have the SPECTATOR turn over the selected card and there facing him will be the picture of CHRIST – THE PRINCE OF PEACE.
