

Directions for Making a Simple Bible Costume

Supplies needed:

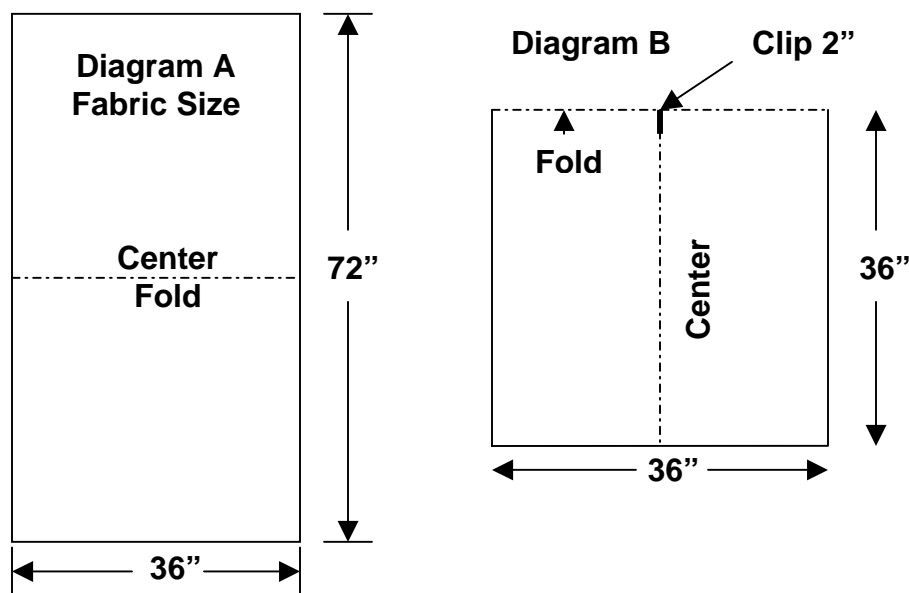

2 yds of fabric(36" x 72")

scissors

measuring tape or ruler

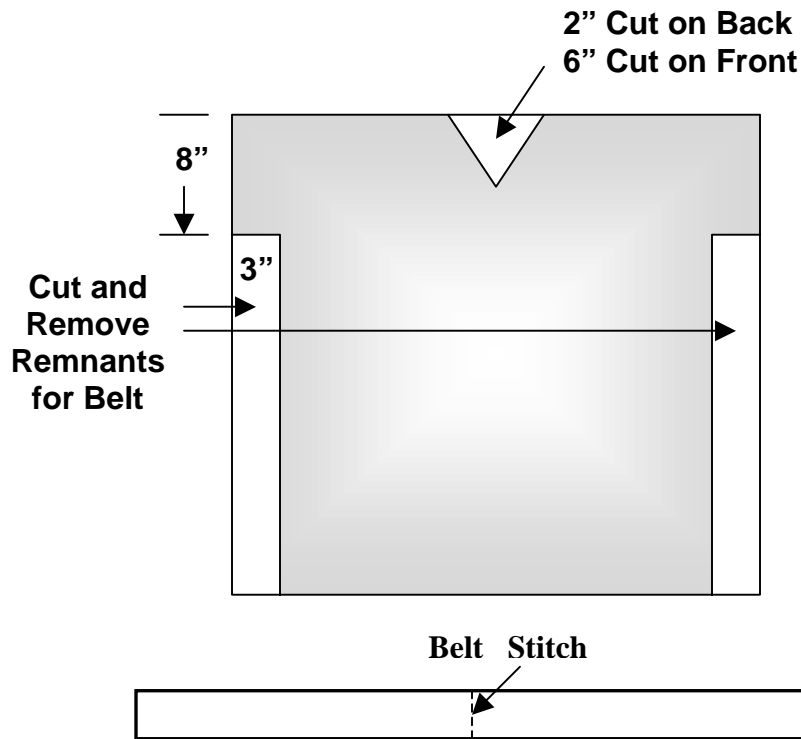

sewing machine or serger

- 1) Fold fabric in half...top to bottom so your fabric is 36" x 36" with a fold on top and two open sides.

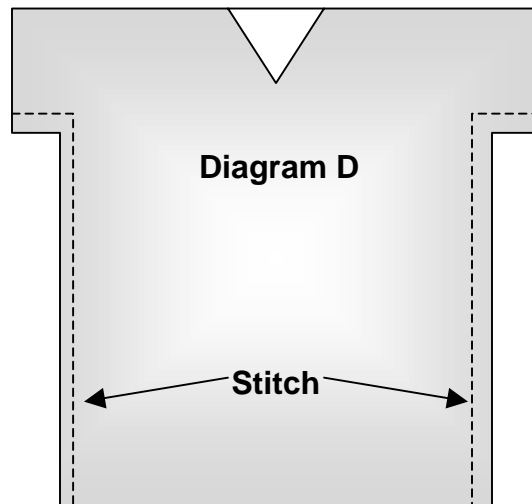

- 2) TO MAKE NECK OPENING: Fold fabric left to right in half to find and mark the center. Clip downward at center from folded edge 2" through both thicknesses. Leave backside 2" long and clip downward on front side to 6". Neckline is complete.

- 3) TO MAKE SLEEVES: Mark 8" from top of fold down each side and cut 3" to center. From bottom measure 3" from each side and cut upward to previous incisions.

- 4) With right side of fabric together, match and pin. Then sew from sleeve to underarm and down the side. Do this on both sides of garment.

- 5) Turn right side out and you are finished.
- 6) Use the cut remnants and sew end to end to make headbands or belts. Raw edges may be hemmed or serged.
